Traditionally erotic dressing up was done by the female, and the male has been very appreciative by big smiles, long stares, loud whistling, verbal compliments, and often the bulge in his pants. When ordering from their catalogs, either regular size or a Gy's line for guys in it and the plus size catalog, it will take 4-8 weeks for delivery. All these catalogs come with size charts in them. When ordering make sure you know the sizes of the body parts you are covering, and you should go up a size if in-between sizes or not sure, as they often can be made on the smaller side and it is easier to take a few areas in but not to let out any areas unless they have adjustable ties, straps or snaps.
